BALLET BRAZOS SCHOLARSHIP APPLICATION FOR THE NUTCRACKER 2018

At Ballet Brazos, we strive to share our love of classical ballet with area dancers, their families and the community. Therefore, we do not want financial hardship to prohibit students from participating in our 2018 production of The Nutcracker. The Anne Hacker Memorial Scholarship was established to give financial assistance to qualifying dancers and their families.

Please note:
**Scholarship given will cover up to 75% of the performance fee
**Families are still responsible for purchasing the appropriate dancewear for the dancer
**Families are still responsible for all volunteer obligations
